Consent Bylaw of CHS Inc.
ARTICLE VIII.
Consent

Section 1 - Consent. Each individual or entity that hereafter applies for and is accepted to membership in this cooperative and each member of this cooperative as of the effective date of this bylaw who continues as a member after such date shall, by such act alone, consent that the amount of any distributions with respect to its patronage which are made in written notices of allocation (as defined in 26 U.S.C. §1388), and which are received by the member from this cooperative, will be taken into account by the member at their stated dollar amounts in the manner provided in 26 U.S.C. §1385(a) in the taxable year in which such written notices of allocation are received by the member.

Section 2 - Consent Notification to Members and Prospective Members. Written notification of the adoption of this Bylaw, a statement of its significance and a copy of the provision shall be given separately to each member and prospective member before becoming a member of this cooperative.

Section 3 - Consent of Nonmember Patrons. If this cooperative obligates itself to do business with a nonmember on a patronage basis, such nonmember must either: (a) agree in writing, prior to any transaction to be conducted on a patronage basis, that the amount of any distributions with respect to patronage which are made in written notices of allocation (as defined in 26 U.S.C. §1388), and which are received by the nonmember patron from this cooperative, will be taken into account by the nonmember patron at their stated dollar amounts in the manner provided in 26 U.S.C. §1385(a) in the taxable year in which such written notices of allocation are received by the nonmember patron and further, that any revocation of such agreement will terminate this cooperative's obligation to distribute patronage with respect to transactions with such nonmember that occur after the close of this cooperative's fiscal year in which the revocation is received; or (b) consent to take the stated dollar amount of any written notice of allocation into account in the manner provided in 26 U.S.C. §1385 by endorsing and cashing a qualified check as defined in and within the time provided in 26 U.S.C. §1388(c)(2)(C); provided that failure to so consent shall cause the written notice of allocation that accompanies said check to be canceled with no further action on the part of this cooperative.

Statement of Significance

The significance of the above-stated CHS Bylaw is that if you become a member of CHS after adoption of the Bylaw (and after receipt of this notice), or if you were already a member and remain a member after receipt of notice, any patronage distribution made to you in written notices of allocation (with respect to your patronage of this cooperative for a tax year of this cooperative beginning on or after June 1, 1963 and accompanied by a distribution of 20 percent or more in cash) will be included in your income in the year of receipt at their stated dollar amounts for federal income tax purposes. (However, the patronage distribution does not have to be included in your income if it represents a patronage distribution on the purchase of personal, living or family items or of capital assets or property used in a trade of business subject to depreciation. The patronage distribution relating to capital assets or property used in a trade or business, however, must be used to reduce the cost basis of said assets or property.) The consent does not apply to written notices of allocation labeled "non-qualified".

The amount included in your income will be the full amount of the patronage refund distribution (with the exception above stated), not just the portion of it paid in cash.
